

Global Connections Local Impact

September 17, 2021
12:30pm - 1:30pm

Open To

All District K-12 Multilingual, Bilingual, Dual Language, CTE, and IB Programmes

Session Overview

Participants will learn how to globalize their curriculum by connecting with students, teachers, and guest speakers across the world. Meet with other educators and schools in our global network that are eager to collaborate with HISD classrooms through our official global education platform, Belouga.

Teachers will also learn about how their students can join the HISD Youth Diplomacy Corps, a novel networking and civic engagement initiative centered around the United Nations Sustainable Development Goals.

Attendees will be invited to join a WhatsApp and LinkedIn group of educators, diplomats, and other stakeholders around the world, who are committed to promoting global education and exchanges. We are looking forward to you joining us September 17th!
