

OPEN P-TECH

**Explore Open P-TECH:
A Digital Learning Platform**
by IBM for Workplace Learning and Technology Pathways

AUDIENCE: ALL HIGH SCHOOL CTE TEACHERS

WHEN?

June 22, 2021 / 10:30am - 11:30am

June 29, 2021 / 10:30am - 11:30am

★ OneSource Course #1450034 for June 22nd

★ OneSource Course #1450035 for June 29th

Description: Get an overview and demo of Open P-TECH, a digital learning platform designed to expose high school students to emerging career fields and technologies, in addition to preparing them for the world of work through professional skills development. Teachers can utilize the platform to help students develop technical and professional skills required for the 21st century economy and earn industry recognized badges developed by IBM.
