

## **Sandy Hook SAVE (Students Against Violence Everywhere) Promise Clubs**

Thank you for actively engaging your campus in the **Say Something Anonymous Reporting System (SS-ARS) Program**. We hope it has been meaningful and impactful for your students! A key component to sustaining this impact is fostering student buy-in.

Our next step will be to implement a **SAVE (Students Against Violence Everywhere) Promise Club**. Establishing a **SAVE Promise Club** at your participating **SS-ARS School** is an important part of nurturing a culture of non-violence and developing upstanders in your school community. Teachers may assist in overseeing a club as a Trusted Adult. Please watch this [short video](#) about **SAVE Promise Clubs**.

### **What are SAVE Promise Clubs?**

**SAVE Promise Clubs** are student-led organizations that encourage youth to take ownership of keeping schools safe by teaching, modeling, and continually reinforcing the central messages of **SS-ARS**. Once registered, each **SAVE Promise Club** receives free tools and resources to plan events, activities, and projects that promote kindness, inclusiveness, and the value of looking out for one another.

In addition, **Save Promise Clubs** provide valuable leadership opportunities for engaged youth in your District. You can read more about **SAVE Promise Clubs** by [clicking on this link](#).
