The 4th Annual District-Wide 2022 Drone Competition

Friday, September 17, 2021

11:00am - 12:00pm

Student Drone Competitions Overview

Join us to receive more information about the various events expected to take place during the 2022 Drone Competition at Washington High School, while hearing how to register your team. How do you make STEM engaging and fun for your students? Would you like to find out how to provide your students with a hands-on experience using drones and friendly competition that will make STEM learning a complete blast? If you replied yes to these questions, look no further! We look forward to you planning with us!
