## **SESSION OVERVIEW**

Participants will join LTC Mai Lee E. Eskelund, as she will share a little known, highly misunderstood, scholarship opportunity with Houston Independent School District High Schools. In 2020-2021, HISD high school students were awarded 119 scholarships with ROTC, paying an estimated total of \$2,178,000 in tuition, book allowance, and monthly allowance. Join us and let's talk about misconceptions and opportunities with collegiate ROTC with people who have over 20 years of experience to better provide your students options for their future.
