

We want students' and individuals' introduction to VirtualJobShadow.com to be streamlined and seamless, so we created a menu of curated FlexLessons Packages for you to choose from! Our goal is to get students and individuals engaged from the start so they can begin their career exploration and planning immediately!

The best part? When students and individuals log in to VirtualJobShadow.com, the assignments will already be waiting for them! You don't have to do a thing! To make it even easier, no matter the Package or *a la carte* choices made, we automatically pre-assign these three assignments: Introduction to VirtualJobShadow.com, Scavenger Hunt, and Career Trivia!

Curated FlexLessons Packages:
