

January 29, 2021

3:00 PM - 4:00 PM

**Using eDynamic CTE Content for
Differentiated Instruction & Remote Learning**

Audience

**CTE Administrators, CTE Program Managers,
CTE Middle School, CTE High School**

Career and Technical Education participants will get an in-depth understanding of differentiation to support student's learning styles, levels of readiness, and interests. CTE participants will also examine strategies to differentiate eDynamic courses, assignments, and grading through built-in tools, customization, and settings features to best support special populations for acceleration, IEP Plans, 504 Plans, English Learners (ELs), and for any students with special needs. eDynamic Learning is an approved Houston Independent School District vendor.

OneSource Course #1448133

Credit Hour: 1

You may register starting January 19th, 2021*
