

# “Creating Background Knowledge”

*Virtual Meeting Location – Microsoft Teams*

## November 3, 2020

Join us for the morning or afternoon session.

8:30 am - 9:30 am

*or*

2:00 pm - 3:00 pm

Participants will learn how students bring diverse background knowledge, consciously or subconsciously, to every new academic experience, and how it can be used to connect new academic information to life experiences. Learn how building background knowledge is an essential component in learning, and how it helps all students make sense of new academic information.

## *Audience*

All Middle School CTE Instructors and High School CTE Instructors

## OneSource Course #1447347
