This edWebinar will:

- Illuminate why understanding the science behind reading instruction is critical for every educator in every classroom
- Explain the nuanced factors that can lead to teacher dissatisfaction
- Provide resources to help mitigate the factors that lead to teacher turnover when reading is concerned

This edWebinar will be of interest to preK-12 teachers and school and district leaders. There will be time for questions at the end of the presentation.

edWeb is approved for CPE hours in Texas as of 2/5/2018
