In this edWebinar, Erik Palmer, author, speaker, and advisor on *HMH Into Literature*, explains the skills needed by today's readers and suggests ways to teach those skills. Participants of this edWebinar will learn how to help students:

- Make smarter choices for online reading
- Understand the role of metacognition in online reading
- Evaluate online sources for credibility
- Understand how sound and image impact voice

This edWebinar will be of interest to upper elementary through high school teachers and school and district leaders. There will be time for questions at the end of the presentation.

edWeb is approved for CPE hours in Texas as of 2/5/2018
