One thing we can likely all agree on about 2020: it has been filled with uncertainty. It is essential now more than ever, for professionals and leaders to turn disruption into opportunity, and elevate our thinking to ensure our long-term career success.

Do you have a career plan? Whether you are in an industry that is booming, or you are recovering from a job loss, proactive career management will benefit you in 2021. In this engaging webinar, Executive Career Coach Erin Cambier shares her views and offers practical advice to help you discover industry insights for what the future of work may look like, so that you can develop a proactive plan for your own career. And you will learn how to prepare for and navigate a job search in this complex market -- with more than 80% of positions filled through avenues other than job boards. You must stand out and manage your own career success.

Webinar Objectives:

- Learn workplace and industry projections for 2021 and what to expect for the future of work
- Leverage your strengths to proactively manage your own career development
- Position yourself to maximize virtual career opportunities
- Discover how to use proactive job search strategies and find positions NOT on job boards
