

# MARITIME WEBINARS

How do you prepare your team for a maritime crisis? How do you provide an effective local media response?

Learn how the communications experts at Navigate Response provide 24/7 global support to shipowners, managers, and operators in our series of **20-minute webinars throughout November**.

Navigate Response can improve your company's ability to tell its side of the story in any crisis.

## **Book your place today:**

### [The Media Crisis Response Timeline](#)

**November 10, 2020 at 4:00 am (CST)**

Discover a typical case chronology and the importance of a fast-moving partner

### [Leveraging Technology for Media Training and Preparedness](#)

**November 17, 2020 at 4:00 am (CST)**

COVID-19: How we are keeping our clients prepared and trained remotely

### [Reviving Drills and Exercises with Realistic Media Pressure](#)

**November 24, 2020 at 4:00 am (CST)**

Why media simulation in drills matters

Attendees will learn how we support our clients, what tools we use and how we make our experience really count. We will show you some of our latest innovations, as well as how we have shaken up some long-established practices, driving standards in maritime media response.

We look forward to seeing you there!
