Among the strategies they will share is how they go about engaging teachers in sustained social learning with mentors and peers. They will also describe the approaches Wake County Public School System uses to focus not only on specific technology tools but also impactful changes in pedagogy to support the sustained, effective use of technology for learning.

edWebinar participants will have an opportunity to engage with the panelists and learn how to apply the strategies shared within their own school settings. This edWebinar will be of particular value to school superintendents, K-12 school and district leaders, and aspiring leaders. There will be time for questions at the end of the presentation.

edWeb is approved for CPE hours in Texas as of 2/5/2018
