Supporting Student Transitions: Orientation Through The First Semester With Multiple Levels Of Support

Monday, November 16, 2020 - 2:00pm-3:00pm (CST)

[**Register Now**](#)

Objectives

- Discover the value of a centralized orientation committee for consensus building and creation of an online orientation
- Investigate the experience of new students in a remote/online orientation and the experience of returning students in a remote/online training experience, both in preparation for a new semester
- Identify areas for improvement based on lessons learned
- Attain new ideas for how this programming could be implemented at their campus

Mental Health Basics For Non-Clinical Staff In Higher Education: A Case Study Presentation

Friday, November 13, 2020 - 12:00pm-1:00pm (CST)
