In this edLeader Panel, attendees will understand how to leverage and implement this practice in their schools—to create a shared vision and a district-wide plan for implementing virtual guided reading to ensure all students have access to equitable and high-quality literacy experiences.

This edLeader Panel will be of interest to elementary-level teachers, school and district leaders, and ELA directors and coordinators. There will be time for questions at the end of the presentation.

*edWeb is approved for CPE hours in Texas as of 2/5/2018*
