## Future of Education Technology Conference (FETC)

**This conference will now be held as a virtual event, January 26th – 29th, 2021 - Registration is FREE!**

FETC is known as the nation's premier event for school and district administrators, IT professionals, instructional coaches, curriculum and media specialists, and other forward-thinking educators to collaborate on leveraging technology to drive student success. The online event will be the best place to explore cutting-edge technology implementations and best practices in expert-led learning opportunities. There is no better place than the new FETC Virtual Expo Hall to explore the latest technologies and communicate with product and service providers.

Visit [www.FETC.org](http://www.FETC.org) for more details as they develop but secure your seat now for FREE, so you do not forget!

[Register Now](#)

As a registrant of the conference, you will receive transactional emails pertaining to your registration as well as future promotional emails from LRP Media Group.

You can opt-out of receiving our emails by using the opt-out link located within a received email message.

## Virtual Industry Speakers

### Arts, Audio/Video Technology and Communications

Our Career Advising Team is still offering an exciting opportunity for your students to engage with industry professionals from the iHeart Media company during your class. These industry professionals are excited to speak to students interested in radio, production, media, and more. Please complete by clicking on the hyperlink below to sign up your students' virtual speaker.

[Click here !\[\]\(e2376d476d06eb31946dc01a69a4403a\_img.jpg\) Arts AV iHeart Media Virtual Speaker Sign-Up](#)

**ATTN:** Arts, Audio/Video Technology and Communications CTE teachers, you will need to include the following information:

- Select a date between **January 2021 – April 2021**  
(Please keep in mind a minimum of two weeks advance notice is required)\*
- Timeframe or class period time
- Your name as a contact person
- Your HISD email address
- The approximate number of students (primarily for seniors and juniors)
- They will currently discuss a little about their company, their occupation, what it is like day-to-day, how to get started in the industry, and what are some of the other careers in the industry. If there are any other specialized areas of interest, please add it.

Once you have submitted the requested information, we will coordinate to confirm your requested date. Please allow for **five** business days; after that, then you will receive an email with additional information stating if your requested date has been approved. **Please submit your requested dates well in advance to take advantage of this opportunity!**

## CAPELLA UNIVERSITY

### Complimentary Professional Development (January 2021)

With professional development options, you will earn **FREE** clock hours at no initial costs. Capella has developed professional development courses in the areas of instructional technology, course design, and leading and coaching to help hone your skills. Foundational courses that focus on setting up, designing, and enhancing instructional materials and methods with technology in modern classrooms. You have 60 days to complete these courses. Apply these learnings toward a Capella degree program to help you save time and money.

Explore the **FREE** online course topics below and here in detail at this link: <https://www.capella.edu/online-degrees/education-professional-development/>

- ★ 21st-Century Instructional Practices

- ★ Designing Instruction for Adaptive Learning
- ★ Understanding Competency-Based Instruction

## **Healthy Teens, Healthy Future – *FREE 6 Self-Paced Curriculum Series!***

Session 1 - Moving Forward with MyPlate

Session 2 - Reading Food Labels

Session 3 - Breakfast of Champions!

Session 4 - Figuring the Fat

Session 5 - The Sweet Facts

Session 6 - Wrapping Up with Snacks

Texas A&M AgriLife is excited to offer a new distance education program through the Expanded Food and Nutrition Education Program specifically for our 6th–12th grade students! Our “Healthy Teens, Healthy Future” curriculum focuses on helping youth audiences develop healthy eating habits, increase their physical activity, practice food safety, and develop skills for basic food preparation. This program is completely **FREE** for ALL CTE students and CTE teachers. Please email Khadija Ghaffar (information below) for more information and scheduling.

### **Audience**

Ag Animal Science (Livestock Production); Ag (Food Science and Technology)

Health Science (Exercise Science and Wellness); Hospitality (Culinary Arts)

Human Services (Health & Wellness; Family and Community Services)

All other interested middle school teens and high school teens; interested CTE Instructors

### **Benefits**

TEK-Aligned; 6 Lesson Series; led by an Expanded Food and Nutrition Education Program (EFNEP) educator for no more than 30 minutes each; taught one on one or with a small group at a convenient time for the participants

### **Texas A&M AgriLife Contact Information**

# TEXAS A&M AGRILIFE EXTENSION

Choose from a variety of online courses that count as training hours for professional development for childcare providers.

Courses specifically for CDA Training and CDA Renewal are also available.

Visit <https://agrilifelearn.tamu.edu/catalog?pagename=Child-Care> or click on the course titles below to explore courses.

**Attention: Education and Training CTE Teachers**

If you find any of the Texas A&M courses beneficial for your professional growth, please ask your campus administration to consider using allocated funds to purchase for you.

**Note:** To continue offering high-quality online training, the price of many of the Texas A&M courses will be increasing over the next several weeks. This includes charging a fee for courses that were previously free. The fees generated from the online courses will enable us to develop new trainings and help cover hosting costs. Thank you for your understanding as we strive to continue to provide you with convenient, affordable, and high-quality online training.

Many Agrilife courses offer continuing education units in Texas. We offer credits for childcare providers and more. All programs provide objective, practical, and science-based information.
