Juniors

Start keeping a list of colleges you like. You can always change it later. For now, just explore your options!

Attend BigFuture Days virtual college fairs and Real Talk: HBCU Edition to learn about colleges that interest you.

Seniors

Compare your financial aid offers from different colleges. BigFuture.org has resources that can help.

SENIOR RANK CELEBRATION

by Dr. Williams, Principal

Wow, you have made it through most of your senior year! Last week during your Senior Rank Parade I was so happy to see all of you who turned out for such a momentous occasion for you and your sisters. What made me even happier was to see the smiles on your faces and the happiness in your eyes. I know this has been a trying year for all of you and when you dreamed of your senior year in high school, this was far from what you thought it would be. But, nevertheless, you have shown persistence this entire year. Remember, do not lose sight of your goals now. While the end of your senior year is near, you still have a little ways to go. Stay focused on your goals and intent on your purpose. You got this ladies! I am already so proud of all you have accomplished. Keep pushing... only a few more months left!

BLACK HISTORY MONTH ESSAY CONTEST

by Mrs. Luckett, Registrar

Congratulations to the following girls who won the Black History Month Essay Contest. We are proud of you ladies! Be sure to congratulate them.

Clarisse Forro & Karrison Ibe

COUNSELOR CORNER

by Dr. Brown, School Counselor

LET YOUR ATTITUDE SPRING FORWARD THIS SPRING AND LEAVE THAT STRESS BEHIND!

In a few weeks, SPRING will arrive! Spring is a season for nature, freshness, and new beginnings. Making time to be in nature is proven to have stress-reducing and calming effects. We spend so much time at school, whether on campus or at home, but definitely a lot of time using our technology. The weather is getting warm and nice so let's join nature. The flowers are blooming and reminding us that we, too, can blossom with a positive mindset and change our negative and stale habits into new and exciting ones that motivate student success! The sun is shining brighter and longer. As the weather starts getting nicer, remember to do yourself a favor and actually go enjoy it. It's time to experience warmth of better health after this past winter. Spring forward with exciting physical and mental health ideas. Go outside and exercise, create new study calendars and work on finishing this school year strong!!!
