10th Grade ROSE, Layla Lee, combats food insecurity with her nonprofit food delivery service. She is making a positive impact on our community with her culinary skills, big heart, and desire to bless those in need. She raised \$700 seed money to buy food supplies and began preparing and delivering food to families after working hard to earn her foodhandlers' license.

Middle school Theatre scholars enjoyed a wonderful rendition of "A Thousand Cranes". Kudos to our amazing thespians and to our Theatre Teacher, Mrs. Gray, for directing.
