UNIFORM POLICY

Dear YWCPA Parents,

The last two years have been tumultuous for our teachers, staff, and families. Moving into the 2021-2022 school year, I can only pray that we will not have a repeat scenario. Because our year began with such tragic stories, the district required every campus to have a relaxed dress code for the year. Here at YWCPA, we continued to be relaxed with certain aspects of the uniform policy. Some things worked, some did not. Please find the attached uniform policy for the 2021-2022 school year. In addition to some exciting changes, we have some rules that will remain the same as previous years. Please make note of the changed and standing policies.

- Tuesdays & Thursdays are our FULL DRESS uniform days.
- Absolutely NO rips, holes, jeggings, leggings or inappropriate school bottoms will be allowed.
- Headscarves, turbans, bandanas, do-rags, etc. are NOT allowed.
- Hoodies nor hats will be allowed to be worn on heads inside the building.
- Cat ears, bunny ears, Mickey Mouse ears, etc. are unacceptable styles of headbands.
- All hair gear must match uniform (Burgundy, white, black, grey or light pink).
- Hair colors must be of a natural hue (blue, purple, pink, fire-engine red, etc. are unacceptable).

I hope that you will help us boost campus and personal pride by endorsing our school uniform policy with your girls. Uniforms are in place to ensure safety, unity, and fairness among peers. I know that along with your help, our girls will build confidence in themselves and their appearance in a professional school setting all while understanding the POWER OF PLAID.

Uniform Supplier: Pound & Jake 888-563-5200 or info@poundjake.com

As always, if you have any questions or concerns, please reach out.

Best,

Dr. Williams
