VOLUNTEERS IN PUBLIC SCHOOLS (VIPS)

Are you ready for a new challenge? Do you want to make a difference in a Houston student's life?

Volunteers in Public Schools (VIPS) recruits thousands of parents and community partners to donate their time, resources, and knowledge in support of the district's primary goal to increase student achievement. Volunteers contribute in areas such as mentoring, tutoring, fundraising, career education, enrichment programs, extracurricular and community service activities, and office and classroom assistance.

After **registering online** and undergoing the annual background check, volunteers can work in any HISD school for the school year. All schools can track volunteer hours donated to the school district by establishing an online VIPS account.
