

Parent Portal -School Bus Tracking

Dear Parents,

You can now track your child's bus! The Silver Lining Parent Portal provides a means for parents or legal guardians to view the actual pick-up (morning) and drop-off (afternoon) of their student(s).

This application can be viewed on any smart phone (Apple iPhone, Samsung Galaxy, BlackBerry, etc.), by entering the student's I.D. and HISD Account Number provided below.

With the Parent Portal, you can see the school bus in real-time on the map and know when to send your child to the bus stop. You can also receive an email or text message when your child's bus enters/or leaves a specific zone.
