Parent and Family Engagement Policy 2023-2024

Benbrook Elementary School Parent and Family Engagement Policy prepares leaders to aim high, hold the vision, and achieve greatness. At Benbrook we believe the parents and the community are an asset. Benbrook believes that parent involvement is important to help us achieve these goals. Benbrook hopes to achieve these goals through communication from the school and providing many opportunities for parental involvement.

Benbrook Title 1 will hold an annual meeting, at a convenient time, to which all parents will be invited and encouraged to attend, to inform parents of the school's participation, and to explain the requirements under this part, and the right of parents to be involved.

Parent and Family Engagement meetings will be held once a month to discuss policy, compacts, learning opportunities, health news, technology, and any other content. Parents/Families will have opportunities at monthly meetings to provide suggestions in decisions relating to the education of their children. Parents are invited to SDMC School Decision Making Committee meetings to help develop the school's improvement plan.

School-Parent Compact

This School -Parent – Child compact is a document that serves as an agreement between all parties at this school. Each section discusses how the Teacher, Parent, School and scholar collaborates in regards to the scholar's education. This compact should be used to motivate all involved to do their part in the success of the student's education at school. The compact can be revisited at any time to make changes or review what was put in place.

Building Capacity for Involvement:

Benbrook will jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and student will share the responsibility for improved student academic achievement.
