## FREE FLU SHOTS!

### HISD will provide free flu shots for all employees.

---

In adherence to physical distancing, on some of the dates, the flu shots will be given at drive-through locations, where employees will drive into a designated parking lot area and receive the flu shot in their car.

If you are going to a drive-through location, look for the flu shot signs, and people will direct you to the flu shot tent. Stay in your car with the window rolled up, have your ID ready, wear your mask, and follow instructions.

There are three days when you will be permitted to enter the Hattie Mae White Educational Support Center and visit Rooms 1E01 and 1E02. You will be screened and required to sign-in at the security desk at the front entrance.
