

SDMC Meeting Notes

9/19/2017

Faculty present: Rebecca Rico, Shayla Brown, Alexandra Cerda, Stacy Williams, Jessica Trader, Faith Fugit

- SIP
 - Focus on improving reading through guided reading groups
 - Targeted coaching for science and math
 - Additional support for ESL students to improve students' performance when they transition into English

- Parent involvement and communication
 - Send notes home twice and do a phone out (communicate three times)
 - Grade levels will create parent newsletters each month with curriculum information and news

- Post-Harvey Support
 - Identify students who are in need of clothing or other items
 - Give list to nurse so she can deliver donations
 - Keep list of donors for thank you notes/follow up
 - Inform administration of any students who are homeless or living temporarily somewhere. They can receive additional resources and transportation.

- Campus procedures
 - Make sure teachers are ready to receive their students when ancillary brings them back
 - Thank you to teachers for being at threshold daily
 - Still many late buses. Adjust instructional schedule to allow for those late students to get to campus.

- Upcoming committee events
 - Muffins with Mom
 - Jeans day for teachers who have paid for Spirit Committee membership
 - Collaboration with FACE department to develop our PTO

- Other
 - Uniforms continue to be optional, but inform administration of any distracting clothing
 - Continue your good work with restorative circles
