Our School

The Mickey Leland College Preparatory Academy (MLCPA) for Young Men is a magnet school in the Houston Independent School District currently serving grades 6-12. MLCPA offers a high quality, rigorous, education, modeled after single-gender private schools, for a public school fee. Our students not only develop academically but also foster leadership skills, and the ability to make healthy and responsible decisions. All of our students graduate with the Distinguished Level of Achievement on the Foundations High School Program. The plan requires 26 credits and choice of endorsement. Offered are STEM (Math, Science and Robotics), Multidisciplinary (Advanced Placement) and Business/Industry (Computer Programming). Our boys are exposed to a variety of careers and universities that best match their intellectual strengths and interests. Mickey Leland College Preparatory Academy for Young Men strives to be the premier school of choice for young men in HISD.

Our Mission

To develop the full potential of every student by fostering an educational environment that encourages critical thinking; inspires student confidence; and nurtures both the intellectual and social development necessary to graduate college and become successful leaders in the global community.
