

All students enrolled in AP Physics 1, should do Kahn Academy's AP Physics 1 courses. I have included the link, <https://www.khanacademy.org/science/ap-physics-1>.

They should create a personal account.

They should complete courses:

- One-dimensional motion
- Two-dimensional motion
- Forces and Newton's laws of motion

for a total of 2600 Mastery points.

Keep all notes in a folder for future reference.
