

# Virtual College Visits at HSPVA

Colleges and Universities love Kinder HSPVA students and ask to come visit each year!

These are fantastic opportunities to meet the representatives face to face, ask direct questions, and stand out from the crowd. Many students don't use this time to visit and miss out on all the benefits. College representatives have shared that when students meet with them it absolutely makes a difference in the admissions process.

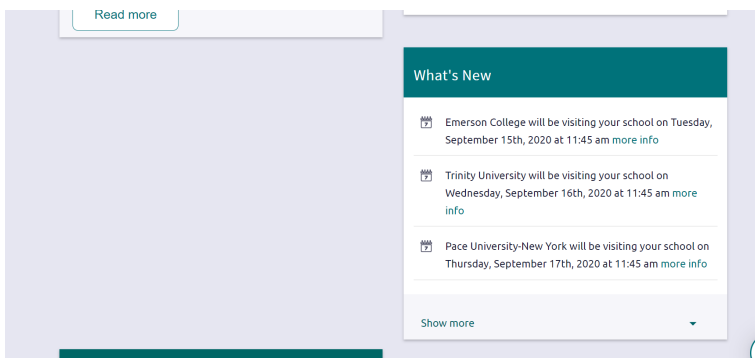

**This fall colleges are setting up virtual college visits specifically with PVA from 11:45–12:15 Tuesday –Thursday.**

These can be accessed through your Naviance account on your home page if you scroll down. **Each of these visits will provide a link for you to preregister. Once you do, you will receive a log in code and password to use during your time to visit. Most of these you will need to register for ahead of time, some may not require it.**

**SIGN UP FOR THESE VISITS and don't miss out on FANTASTIC face to face meetings.**

## Tips for meeting with College Representatives:

- ⇒ Do a little research on the school prior to the meeting
- ⇒ Sign in—always give your first and last name and email address
- ⇒ Dress for success - they will know you are taking this seriously
- ⇒ Act like a professional
- ⇒ Ask specific questions that are about your specific interests
- ⇒ Follow up afterwards with a friendly email

## Naviance Tools:

1. Go to HSPVA.org—scroll down on the left hand side to find Naviance Sign IN
2. Click on Naviance and log in using Clever
3. Scroll down your home page until you find College Visits.
