

Specialties Registration Information

- **Registration will be open through August 29.** IF space allows, registration will re-open on September 12, with students starting the next day after payment is received. So, the first day students can attend when registration re-opens is September 12.
- Students are **NOT** enrolled until payment is received.
- **Students may switch Specialties classes**, if space allows, through Monday, September 19. All class changes must be in writing and signed by a parent.
- No refunds can be given after September 19. Payments/credits cannot carry over to the next session/school year.
- If registering after September 12, students will start class the next day the class is available. For example, if you register for a TTH class on Tuesday, your child may start class on Thursday. Registration on Tuesday for a MW class means your child would start on Wednesday.

Specialties Class information

- If your child only attends a Specialties class for 1st hour (3:00-4:15pm), dismissal will run from **4:15-4:30 pm** behind the school on School Street. If it is after 4:30 pm, you will have to park in the Circle Drive and sign out your child from Reception. **Your account will be charged \$1 per minute after the 4:30 pick-up time.** ***Please note that there may be a line at Reception for checking out students.***
- Dismissal for students leaving after the 2nd hour of Specialties will be the same. Our After School employees will be out back on School Street to assist your child in getting into his or her car from 5:30-5:45pm. If you are not able to pick your child up by the end of dismissal time (5:45pm), you will have to park in the Circle Drive and come into the Main Office to sign your child out. **Your account will be charged \$1 per minute after the 5:45 pick-up time.**
- Continual late pickups may cause your child to be exited from the program.
- If you need to pick up your child before dismissal, you will need to sign out him/her at Reception and then your child will be called from class. At no time are parents allowed in the classroom to pick up their children. Please allow ample time for early release of your child because you may need to wait. For safety reasons, pick up is not allowed at transition times: 3:00 – 3:15, 4:10 – 4:25 and 5:20-5:30.

After School Care students only – if you want your child to go home at 4:15 at the School Street dismissal area, you will need to **email Ms. Sofia Marroquin** at robertsasc@houstonisd.onmicrosoft.com so your child can go to the dismissal area. If we **DO NOT** have a note, your child will attend his/her assigned 2nd hour class and will need to be signed out at Reception. There is no 4:15 dismissal on Fridays. For safety reasons, we are unable to send your child to the dismissal area from the Covered Area.
