Dear Prospective West University Elementary School (WUES) Kindergarten Families,

Welcome to Kindergarten Round-Up for the 2024-2025 school year! WUES is an amazing school because of the combined efforts of our teachers, administration, community, and families. The WUES Parent Teacher Organization (PTO) is a group that joins parents and teachers together to enhance the quality of our children's education. The PTO's fundamental mission is to foster an environment where teachers and administrators are empowered to do their best work and students can excel.

We are looking forward to another fantastic year, and I hope you will consider getting involved in the PTO. I believe you will find it rewarding, and your added perspective will benefit our endeavors. Some of the activities and programs the PTO is planning for next year include:

- Providing funds for instructional materials and curriculum enrichment programs such as Art Night, STEM Night, and the International Festival;
- Coordinating room parents to help facilitate programs and volunteer efforts within the classrooms;
- Organizing a fun-filled Boo Bash Carnival, Book Fair, and more;
- Organizing service projects like Souper Bowl of Caring and Day of Service where our children can participate and learn the importance of helping others; and
- Organizing socials (parties, lessons, or events hosted by families) for students and parents.

The PTO wants to help your child make an easy and comfortable transition to kindergarten. We organize gatherings during the summer so your child can meet his/her peers, and we host a pre-K and kindergarten meet-the-teacher event the week before school starts. We provide information to current and incoming families through our website and weekly *Mustang News* email blasts. Sign up to receive WUES & PTO emails by clicking on "Sign Up for Mustang News" on the PTO website at www.westupto.org.

I am happy to answer any questions you may have about the PTO and WUES. Additionally, over the summer, you may send emails to kinder@westupto.org to reach the 2024-2025 Kindergarten Grade Level Representative.

Welcome to WUES!

Lainey Seidel
