

SDMC Quarter 1 Meeting Minutes

At 4:30, Principal Lam called the meeting to order. She welcomed everyone and thanked them for being apart of the SDMC. Then each member introduced themselves and their role. This took about 5 minutes for introductions. Principal Lam then began to explain the purpose of the meeting.

Mrs. Wilmore then presented the agenda and asked were there any questions or concerns. There were none. The agenda was then adopted. Mrs. Wilmore also went into more detail about the purpose and plan for the meeting. She explained the principal evaluation and how everyone would have to do a survey at the end.

Principal Lam then talked a little more about the principal evaluation and what they could expect to see on the video. She asked that all questions and/or comments wait until the end of the video, and she will address them. She gave some detail about what the evaluation is tied to and how it focuses overall on improving the campus as a whole.

The video then began playing, it ran for 20 minutes. When it was finished, there were a few questions surrounding campus culture and if principals could be penalized by what's on the survey or evaluation. Principal Lam discussed in more detail for this was an evaluation that was put in place to ensure that the campus continues to grow.

The survey link was then placed in the chat for everyone to complete. The meeting ended at 5:32p.m.
