

Pre-K Helpful Tips & Supply List

Dear parents,

Thank you for choosing Windsor Village Elementary School for your child's academic learning foundation for 2021-2022 school year. We are so excited for the upcoming school year. Here are some things to consider and the supply list for our Pre-K students. Thank you in advance!

Clothing

- Elastic waist bands on pants, skirts, and shorts.
- Velcro or slip-on shoes.
- This will alleviate students having trouble when going to the restroom and having teachers to tie shoes. These are just suggestions.
- ❖ Please keep these suggestions in mind with sending extra clothing with students to school in case of an accident. The extra clothing will remain in students' backpacks.
