

# Rogers MS Boys and Girls Soccer Info

## Coaches

Boys: Ghorbanian

Girls: McGough

# Must Haves

## No Pass-No Play/Behavior

- If you fail any subject in the 2nd nine-weeks, including core enrichment, you will **not** be permitted to tryout.
- However if tryouts occur after the progress report in the 3rd nine-weeks and you are passing you will be allowed to tryout
- Behavior in the classroom and halls are also determining factors

## Physicals and Waivers

- You **MUST** have a physical on file and you will need to submit a waiver that you have insurance or you are purchasing HISD insurance (\$35)
- If you have participated in a sport this school year you most likely\* can tryout.

\*However you may need to see if your physical expires before the end of April or you can't compete even if you are on the team

# Important Dates and Times

Tryouts: Late January 2020 (most likely week of the 27th)

- If you cannot attend some exceptions will be made on a case by case basis

Sign Up: You will need to sign up, in my room, a couple of weeks before the tryouts

Missing Physical: Need to make an appointment to complete one prior tryouts and you will need to turn them into me when you sign up to tryout.

## **If you make the team**

Practices: Twice a week (Tuesdays and Wednesdays 3:30-4:30) No morning practices. No after school buses >you need transportation.

You need to make a practice **once a week to be eligible to start the games**

Games: Thursdays (Girls start at 5:00pm/ Boys at 6:00pm)

**Do not tryout if you can't make this commitment**

# What is needed for tryouts?

Besides your physical and passing grades (2nd 9wks) here is what is needed at tryouts:

- Athletic Attire (gym clothes are fine)
- Cleats but **not** required
- Shin guards are **not** required

Behavior/Skills:

- Polite, respectful, and good attitude with all people at tryouts
- No talking during instructions/following drill and coaches instructions  
Violation of this will result in you being told to leave tryouts and forfeit a chance on the team
- Passing and trapping the ball (how is your “touch” on the ball)
- Hustle through the drills, endurance, communication during scrimagges, “coach-ability”, decision making, and knowing the rules/language of the game.

# Team Info/Games

- Need a goalkeeper that can also play in the field-Taking two goalkeepers
- Need **about 16 to 18** smart, physical, confident, and experienced players on the team
- **Talent** is over status- meaning being on the team last year does not guarantee a spot
- I will take some managers during the season to help with drills and equipment during practice and the games.You **may** play in some of the games

## Games

- All games are on the road and 50 min total (25 min halves)
- 7th Grade and 8th Grade will be on one team
- I will have a captain from each grade level
- Need to submit your availability one day prior on GC

<b>DISTRICT 2</b>
