

Course Syllabus: MCHS at HCC Fraga

Course Title	Environmental Systems													
Instructor Name	Ms. Eubanks													
Email	aleida.eubanks@houstonisd.org													
Office Hours	Monday through Friday, 2:45pm – 3:40pm													
Course Description	<table><tr><td>Unit 1 Intro to Environmental</td><td>Unit 7 Natural Processes and Events</td></tr><tr><td>Unit 2 Biogeochemical Cycles</td><td>Unit 8 Land and Water Use</td></tr><tr><td>Unit 3 Energy Flow</td><td>Unit 9 Pollution and Waste</td></tr><tr><td>Unit 4 Ecosystem Interactions</td><td>Unit10 Human Population</td></tr><tr><td>Unit 5 Biodiversity and Extinction</td><td>Unit 11 Effects of Human Activities</td></tr><tr><td>Unit 6 Renewable and Nonrenewable Resources</td><td>Unit 12 Environmental Policy and Law</td></tr></table>		Unit 1 Intro to Environmental	Unit 7 Natural Processes and Events	Unit 2 Biogeochemical Cycles	Unit 8 Land and Water Use	Unit 3 Energy Flow	Unit 9 Pollution and Waste	Unit 4 Ecosystem Interactions	Unit10 Human Population	Unit 5 Biodiversity and Extinction	Unit 11 Effects of Human Activities	Unit 6 Renewable and Nonrenewable Resources	Unit 12 Environmental Policy and Law
Unit 1 Intro to Environmental	Unit 7 Natural Processes and Events													
Unit 2 Biogeochemical Cycles	Unit 8 Land and Water Use													
Unit 3 Energy Flow	Unit 9 Pollution and Waste													
Unit 4 Ecosystem Interactions	Unit10 Human Population													
Unit 5 Biodiversity and Extinction	Unit 11 Effects of Human Activities													
Unit 6 Renewable and Nonrenewable Resources	Unit 12 Environmental Policy and Law													
Class Meetings	Through Microsoft Teams links we will hold 30-minute required Synchronous learning sessions followed by 50-minute Asynchronous learning/tutoring sessions. Be on time, camera-ready, with pencil and paper. Students should be present for the entirety of the Synchronous class session.													
Online Resources	Microsoft Teams, HISD HUB, and various apps throughout the school year.													
Required Materials	Computer, Stable Internet Connection, Pencil, Note Paper													
Supplementary Materials	Students may use electronic devices such as laptops, tablets, or smart phones to assist in their understanding of content and to complete assignments when given permission.													
Graded Material	Classwork, Homework, Exit Tickets, Quizzes, Tests, Checkpoints, District Assessments													
Grade Composition (Subject to change)	25% tests 75% all other graded items													
Late Work Policy (Subject to Change)	10 point for unexcused late work submissions. Assignments are due by 11:59pm of the same day they are assigned.													
Re-test Policy (Subject to Change)	Test scores below a 70% will be retested following intervention, earning up to a 80%
