SAFETY PATROL

The Lovett Safety Patrol is now assisting with morning drop off and end of day pick-up.

Some ways you can help to keep everyone safe at Lovett:

Exit / Enter your car from curb side only

Follow the instructions from the Safety Patrol and Lovett staff

No parking in the area at the walkway on Jason

If you are being let off on Jason, exit from the school side only

COVID – COLD - FLU

Symptoms of COVID-19	Strep Throat	Common Cold	Flu	Asthma	Seasonal Allergies
Fever	X		X		
Cough		X	X	X	X
Sore Throat	X	X	X		X
Shortness of Breath				X	
Fatigue		X	X	X	X
Diarrhea or Vomiting	X		X		
Runny Nose		X	X		X
Body or muscle aches	X	X	X		

Changes in the weather bring about seasonal illnesses/complaints that mimic Covid symptoms. This is why we must screen and isolate until we have confirmation that it is not covid

CHECK OUT THE NURSE'S WEBSITE PAGE

For the latest information, updates, health forms, etc., check out the Nurse's Page on the Lovett website. Hover over the ACADEMICS tab and select SCHOOL NURSE. You will find useful information and guidelines that will answer many of your questions.....or you can always contact the nurse.

FLU SEASON IS COMING

we recommend everyone get a flu shot this year.

No flu shots will be given at Lovett this year. TCH and City/County clinics are offering free flu shots.

Please notify the nurse when you get your flu shot so records can be updated

OCTOBER IS NATIONAL BULLYING PREVENTION MONTH

Lovett has Zero Tolerance for Bullying , programs are in place to recognize and prevent bullying.....what is bullying:

- unwanted aggressive behavior
- observed or perceived power imbalance
- repetition or high likelihood of repetition of bullying behaviors.

If you or someone you know is being bullied, there are things you can do to keep yourself and others safe from bullying. Notify your teacher, administrator, or the nurse.
