

When do parents meet with Advisors?

Lamar Academic Advisors' Parent Education Series

Your Lamar Academic Advisors understand that our annual conversation with your student about path, plan, next year's course selection, and the document package we prepare for that meeting may not *always* make it home to you intact.

And you may have questions about the IB diploma, what to do if your student is struggling, how to apply to college, scholarships and financial aid, course selection . . .

That's why we host the **Lamar Parent Education Series**. Our annual cycle of seminars was created to communicate relevant information directly to parents and entertain any questions.

Find our series calendar at www.houstonisd.org/lamarhs > academics > academic advising > Parent Education Series Calendar.

We look forward to seeing you and answering your questions at these events!
