TWO ways for students to engage with DiscoverU

Cohort

- Weekly skill-building sessions
- Individual guidance and support on FLO selection, application, & participation
- Small group sessions (10-15 students) and one-on-one advising
- During school day or after school
- Cohort participants have priority access to financial aid to reduce participation

Personal

- Individual guidance and support on FLO match, application, & participation
- One-on-one advising and independent work sessions
- Advisor office hours during school day
- Drop-in students also have access to financial aid to reduce participation costs

How You can Help

Refer students in person or online
