### II. Recruitment Efforts

Fall 23'

- Saturday School Choice Fairs: I have attached the dates above. I attended all the Saturdays listed and provided prospective parents with details about our campus including tour dates/time.
- Tours- Our campus hosts tours every Thursday at 1. The last one for the semester is 12/7, tours will resume in January starting Thursday 1/18.
- PTO Parent Coffees- the PTO hosted coffees all around the city for prospective parents to get insight on Energy from the perspective of the parents. I have also attached the locations and times where these coffees took place.
- Middle School Design Challenge: This past weekend we hosted our middle school design challenge where prospective middle school students were able to participate in STEM activities like our students do.
- Exhibitions: During exhibitions, I set up a table and answer all questions that prospective parents have.
