

**SDMC**

**January 15, 2020**

### **Budget Balance Is Complete**

We purchased the needed technology to replace out of date equipment. We were also able to purchase additional IPADS to use with GradeCam.

Think Up workbooks for STAAR levels with digital component have arrived. Teachers will attend a webinar and then the materials will be distributed.

Placed additional funds in supplies to be moved as needed

Pending- Purchasing Additional Reading Textbooks. We are still waiting to hear if it is possible.

Purchased

2 Teacher Assistants. One is for PK only because we used PK Rider funds.

The second TA will be used to support overcrowded classrooms in Kindergarten and First grade.

### **Lead Principal Position**

Ms. Swaby has been promoted to a Lead Principal and will be off campus more often. When she is off campus, Ms. Bailey and Mr. Cuevas will have decision making authority

### **Questions, Concerns and Updates**

Can Mr. Nguyen present GadeCam at a faculty meeting? We may need the presentation differentiated for different levels of technology knowledge. We will need an overview and task cards.

We discussed the implementation of PikMyKid and how it will work.
