1. Call to order & Role

- Saldana, Creuzot, Aguilar, Penrice, Weber, Powell, PTA; Gehman, parent; French

2. Standing Business

- Budget- purchase iPad like tablets (Nguyen uses this, will model and implement with math team first)
- Staffing- Maldonaldo leaving after Thanksgiving. Gonzalez resigned due to health issues. SPED TA position. Ms. J moving to 60%, 3 days a week – looking to hire a full-time counselor in addition to Ms. J. **VOTE 7/7 voted yes to hire full-time counselor.** ISS position. Adding a tech person.
- Facilities & Safety- parent will donate indoor lighting, possible locations = locker rooms and gym. PTA will quote back field for lighting. Upgrading the locker rooms sinks, circle back to this from previous years (see old notes). New copier in the science building. Cover for basketball court. Trophy cases, lockable and matching in appearance. Downsize student agendas to make more money elsewhere. Robots for robotics CTE. Weather gear for crossing guards. Headphones, class sets.

Additional fencing project is underway with AP call button at the front gate.

3. Open Forum

- Q&A
- Teacher evaluation system TES, we are a trailblazing campus where Saldana/Rodriguez meet monthly to learn more. 98.5% completion rate for survey. Possibly having salary based on results for proficient or higher. This would apply to any teacher not just core. Survey gave students 2 random teachers they have to answer the survey questions.
- Shortened HR, Gehman asked how it was going. Penrice and Weber shared that they think it's honestly too short especially with Wednesday Circles. Issues arise when teachers do not show the announcements which is a problem. Will complete a mid-year survey to see how it's going for morning announcements. When should homeroom be in the daytime? Discuss options for when HR should be.

4. Calendar Review

- Next meeting in February.
