SDMC Minutes (February 28, 2017)

Members Present: Ms. Bazan, Ms. Maciel, Ms. Rider, Ms. E. Castillo, Ms. Chavez, Ms. Simon, Ms. Espinoza, Ms. Cranford, Ms. Trigo, and Mr. Lam

❖ Budget

Enrollment for 2017-2018

- The budget projections for 2016-2017 was 625 and our actual enrollment is 615. This means we lost funding for 10 students.
- Due to the budget shortfall there may be some reduction in support staff. All teaching positions are secure.

❖ Professional Development for 2017-2018

Form committees for pre-service weeks/ professional development

- Reading- Teachers will present in vertical teams
- Math – Teachers will decide in grade levels if they would like to present in vertical teams or have Vonture Math present one full day and some grade level coaching throughout the year.
- Science- Mr. Newman will get with the lead teachers to develop a training (experiments and planning).
- Writing- In grade levels we re-visit the writing plan to see what works and what improvements need to be made.
- ESL- Teachers will develop a plan for teaching ESL. The goal is for more students to transition to English.

❖ Medical Emergency Procedure

- There will be a Code Stay Medical Procedure. Teachers will stay inside their classrooms away from the designated area until all clear is given by Ms. Bazan.

❖ Spring Activities

Propose dates for Field Day (Fine Arts Teams will approve the dates)

- Pre-K – 2 - April Spring Holiday
- 3-5 – May

❖ Safety

- Ms. Bazan will get quotes for the installation of the glass window in the front office.

Janowski Elementary

7500 Bauman

Houston, Texas 77022

❖ Question or concerns

- Please continue to talk to the students about restroom procedures and keeping it clean.
- In the future, we will look for a trainer to do the G/T update
