

What is a School - Parent Compact?

The purpose of the School-Parent Compact is to communicate a common understanding of school and home responsibilities to assure that all students attain high standards and a quality education.

This agreement is between faculty, staff, parents, and students. It is necessary that we share responsibility for the success of our students by remaining accountable to one another.

Margaret Long Wisdom High School encourages parents to get involved. We believe in creating opportunities for parental involvement like volunteering, attending parent workshops, or joining the Shared Decision-Making Committee (SDMC), which aids in making decisions for our campus.
