## MILITARY CONNECTED FAMILIES SURVEY

All information **MUST** be completed by parent, school personnel or community liaison.

School \_\_\_\_\_ Date \_\_\_\_\_

Student Name \_\_\_\_\_ HISD ID# \_\_\_\_\_

Dear Parent or Guardian,

The State of Texas requires schools to collect data relating to the enrollment of military-connected students. This collection is done to allow educational institutions the ability to monitor critical elements of education success for children who are dependents of military personnel, and show the state's commitment to military personnel and their children.

### For students in grades Kindergarten through 12:

1. The student is a dependent of an active duty member of the United States Army, Navy, Air Force, Marine Corps, or Coast Guard

Yes       No

2. The student is a dependent of a member of the Texas National Guard (Army, Air Guard, or State Guard)

Yes       No

3. The student is a dependent of a member of a reserve force in the United States military (Army, Navy, Air Force, Marine Corps, or Coast Guard)

Yes       No

### For pre-kindergarten students only:

4. The student is a dependent of an active duty uniformed member of the Army, Navy, Air Force, Marine Corps, or Coast Guard, or activated/mobilized uniformed member of the Texas National Guard (Army, Air Guard, or State Guard) who was injured or killed while serving on active duty.

Yes       No

## PRIVACY CODE: STUDENT RECORDS, RIGHTS, AND RESPONSIBILITIES

**Student Records:** State law requires the Houston Independent School District (HISD) to maintain an education record for each student attending its schools. These records contain identifying data pertaining to the student and may include information concerning demographics, grades, attendance, health, discipline, guidance, assessment, and appraisals.

**Access to Records:** In addition to HISD employees, who have a legitimate educational interest in a student's records, parents, guardians, and the student are the only persons who have access to student records maintained by the district.

Both parents—married, separated, or divorced—have access to a student's records until the student becomes 18 years of age and is no longer a dependent student under Section 152 of the Internal Revenue Code. A parent's rights to access student records may be restricted by a court order. Legal guardians have the same rights of access as parents. Parents and students may review records during regular school hours by contacting their school principal.

After the student becomes 18 and is no longer a dependent, only the student has access to his or her records. However, that student may consent to others having access.

Under certain restricted conditions, other individuals may review a student's records. These conditions include:

- Other schools to which a student is transferring.
- Specified officials for audit or evaluation purposes.
- Appropriate parties in connection with financial aid to a student.
- Accrediting organizations.
- State and local juvenile justice system authorities pursuant to state law.
- Appropriate officials in cases of health and safety emergencies.

Records may also be reviewed to comply with a judicial order or lawfully issued subpoena provided the parent and student received notice before compliance. No other persons are allowed to review a student's records without either permission of the parent or that of the student if over 18 years of age.

**Challenge to Content of a Record:** If a parent or a student over 18 feels that the student record contains information which is misleading, incorrect, or a violation of the privacy or other rights of the student, that person may challenge the contents of the record in an informal hearing. To initiate this procedure, contact your school principal.

**Copies:** A student 18 years of age or over or a parent or guardian of a student under 18 years of age requesting copies of his or her child's official district records for a purpose other than the transaction of the official business of the district shall pay 10 cents a page for each copy. A limit of three high-school transcripts will be provided free to post-secondary schools. Each additional copy will cost \$1. The Inactive Student Records Department microfilms high-school transcripts for permanent retention.

**Special Education Records:** The district maintains Special Education records for seven years after the last date of service and then destroys the records in accordance with state law. A "Notice of Destruction of Special Education Records" is published annually through the district's website ([www.houstonisd.org](http://www.houstonisd.org)) advising the parent or adult student how they may request a copy of the records before they are destroyed. It is important that the parent or adult student keep a copy of all Special Education records for use in later years.

**Complaints:** Parents or a student over the age of 18 have the right to file a complaint with the U.S. Department of Education concerning alleged failures of the district to comply with the provisions of the Family Education Rights and Privacy Act of 1974.

**RE: STATE OF TEXAS LAWS PERTAINING TO SAFE GUN STORAGE AND RESPONSIBILITIES OF PARENTS/GUARDIANS**

Dear Parent/Guardian:

The Houston Independent School District (HISD) is dedicated to a safe learning environment both at school and at home. In 2019, 25 school shootings occurred across our nation, causing serious injuries to 43 people. Eight died as a result of their injuries. In the Houston area, 28 children were killed by firearms. Almost half of the deaths (11) resulted from improper gun storage. HISD recognizes that proper gun storage education and laws are essential to ensuring a gun-free campus. To further our efforts to protect students from firearms, and as a courtesy to our families, HISD is informing parents and guardians of the legal obligations to protect minors from negligent gun storage. Please review the state statute on gun storage laws summarized below:

**Texas State Law 46.13 “Making a Firearm Accessible to a Child”**

In the state of Texas, a “child” is defined as a person under the age of 17. The statute indicates that a person commits an offense if a child gains access to a readily dischargeable firearm and the person with criminal negligence:

- 1) failed to secure the firearm; or
- 2) left the firearm in a place to which the person knew or should have known the child would gain access.

Respectfully,

Pedro “Pete” Lopez, Jr.  
HISD Chief of Police
