USING THE LTI-A CANVAS INTEGRATION WITH REALIZE

1. Log into Canvas (<u>canvas.houstonisd.org</u>): Always *start* in Canvas Classes and assignments created in Realize first will not migrate into Canvas

2. Add Savvas Realize Content:

There are 3 ways to add Savvas Realize content to a course

This example is adding Realize content to a **new** course Module

Use link provided above to learn more about adding Realize content to your Canvas course

- <u>Commons</u>: The teacher must access a Realize assignment for these types of courses in Canv the connection between Canvas and Realize and create the class in Realize.
- If a teacher first creates an assignment in *Realize*, that assignment will **not** sync back to the course in Canvas.
- Student must open Realize materials in the assignment in Canvas for it to be created in Realize.
- Students must open Realize material/assignment in Canvas to be added to the (LMS) class list/roster in Realize.
- (Canvas LMS) class, assignment, and usage data will be available to teachers and administrators in Realize Reports. <u>Online Teacher Guide for LTI-Advantage Integration</u>
