Policy Review

All policies related to IB Programme implementation are reviewed annually in May by the Shared Decision-Making Committee (SDMC) and communicated to the school community through the school website. Teachers and other staff members participate in annual refresher training on our policies and practices during August in-service as well as ongoing professional development as needed throughout the school year.

Amendments

Amendments to the policies are considered as needed based on changes to IB policy, federal and state policies, district policy, and community needs.
