

## What is a School-Parent Compact?

---

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade level standards. J. R. Reynolds teachers, students, and parents developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents suggested ideas to make them more specific, and students told us what would help them learn. Meets are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time!
