After thorough review of our data, our School Improvement Goals are as follows:

1. To increase Grades 3-5 reading performance of our Hispanic subpopulation by 10% for the 2022-23 STAAR exam.
2. To increase 5th Grade Science at minimum 7% on the 2022-23 STAAR exam.
3. To increase Meets and Master levels of performance by 3% in the areas of Reading, Math & Science for the 2022-23 school year.

To meet our needs, teachers will attend selected trainings throughout the year to build instructional capacity, analyze data using Lead4ward tools and other protocols, plan effective first-line instruction through virtual and face-to-face instruction, collaborate in vertical teams on district professional development days to align campus-wide expectations, and discuss RTI practices for students that are struggling academically. Parker ES will also continue with the implementation of Writer's Workshop and Daily 5 to support balanced literacy instruction, Daily 3 and small group instruction for Math. To address learning loss across on our campus as a result of the COVID-19 pandemic, Parker Elementary will use federally granted ESSER funds to increase Response to Intervention (RTI) supports with campus-based personnel, targeting Reading and Math instruction. In support of the HISD's Fine Arts Initiative, Parker
