

Field Elementary Lion's Den Welcome Back!!!

Our Mission is to provide a safe quality after school program via homework study and a variety of activities for children in grades K-5 designed to nurture a sense of respect for themselves, as well as their community.

Dear Field Elementary Parents,

Welcome back! We hope your Summer has been a fun and safe one! We are so excited for 2022-2023!

Field Elementary Lion's Den (FE LD) is our after school program held on site. We have been busy planning lots of activities. Beginning August 22, our daily program will consist of Extended Day, which will include homework study and enrichment classes taught by our after school staff & faculty, as well as specialty classes, taught by HISD Vendors for a separate cost scheduled to begin September 13. Soon our webpage will be set up for easy reference.

Also, soon we will have our QR Code!!! When we set this up we hope it will provide you with a quick way to reference all information regarding Field Elementary Lion's Den!!!

To assist you in planning...here are some sample schedules to show you how anyone interested in any component of our program can participate.
