Navigating a Course in the HUB

Go to www.houstonisd.org/hub to log in:

After logging into the HUB, click Home or Courses on the navigation bar.

In Courses, click on All Courses to see all courses in which you are enrolled.

Click on the course name to open it.

Overview Page:

Once the course is opened, you will see the Overview page.

This page shows Announcements from the teacher and upcoming Tasks/Events.

Plans Tab:

From the overview page, select Plans.

The plan displays an organized view of the course and allows quick access to the assignments, tasks, and assessments.
Resources Tab:
Click Resources to find a listing of all elements related to the course.

Each folder contains links to the same assignments, tasks, and assessments as seen in the plans.

Gradebook Tab:
Click Gradebook to view, monitor, and track grades and academic progress within the course.
