

Your Guide to Clinics and Providers

 **Kelsey-Seybold Clinic®**
Changing the way health cares.™

Welcome to Kelsey-Seybold Clinic: Houston's Model for Coordinated Care

Since 1949

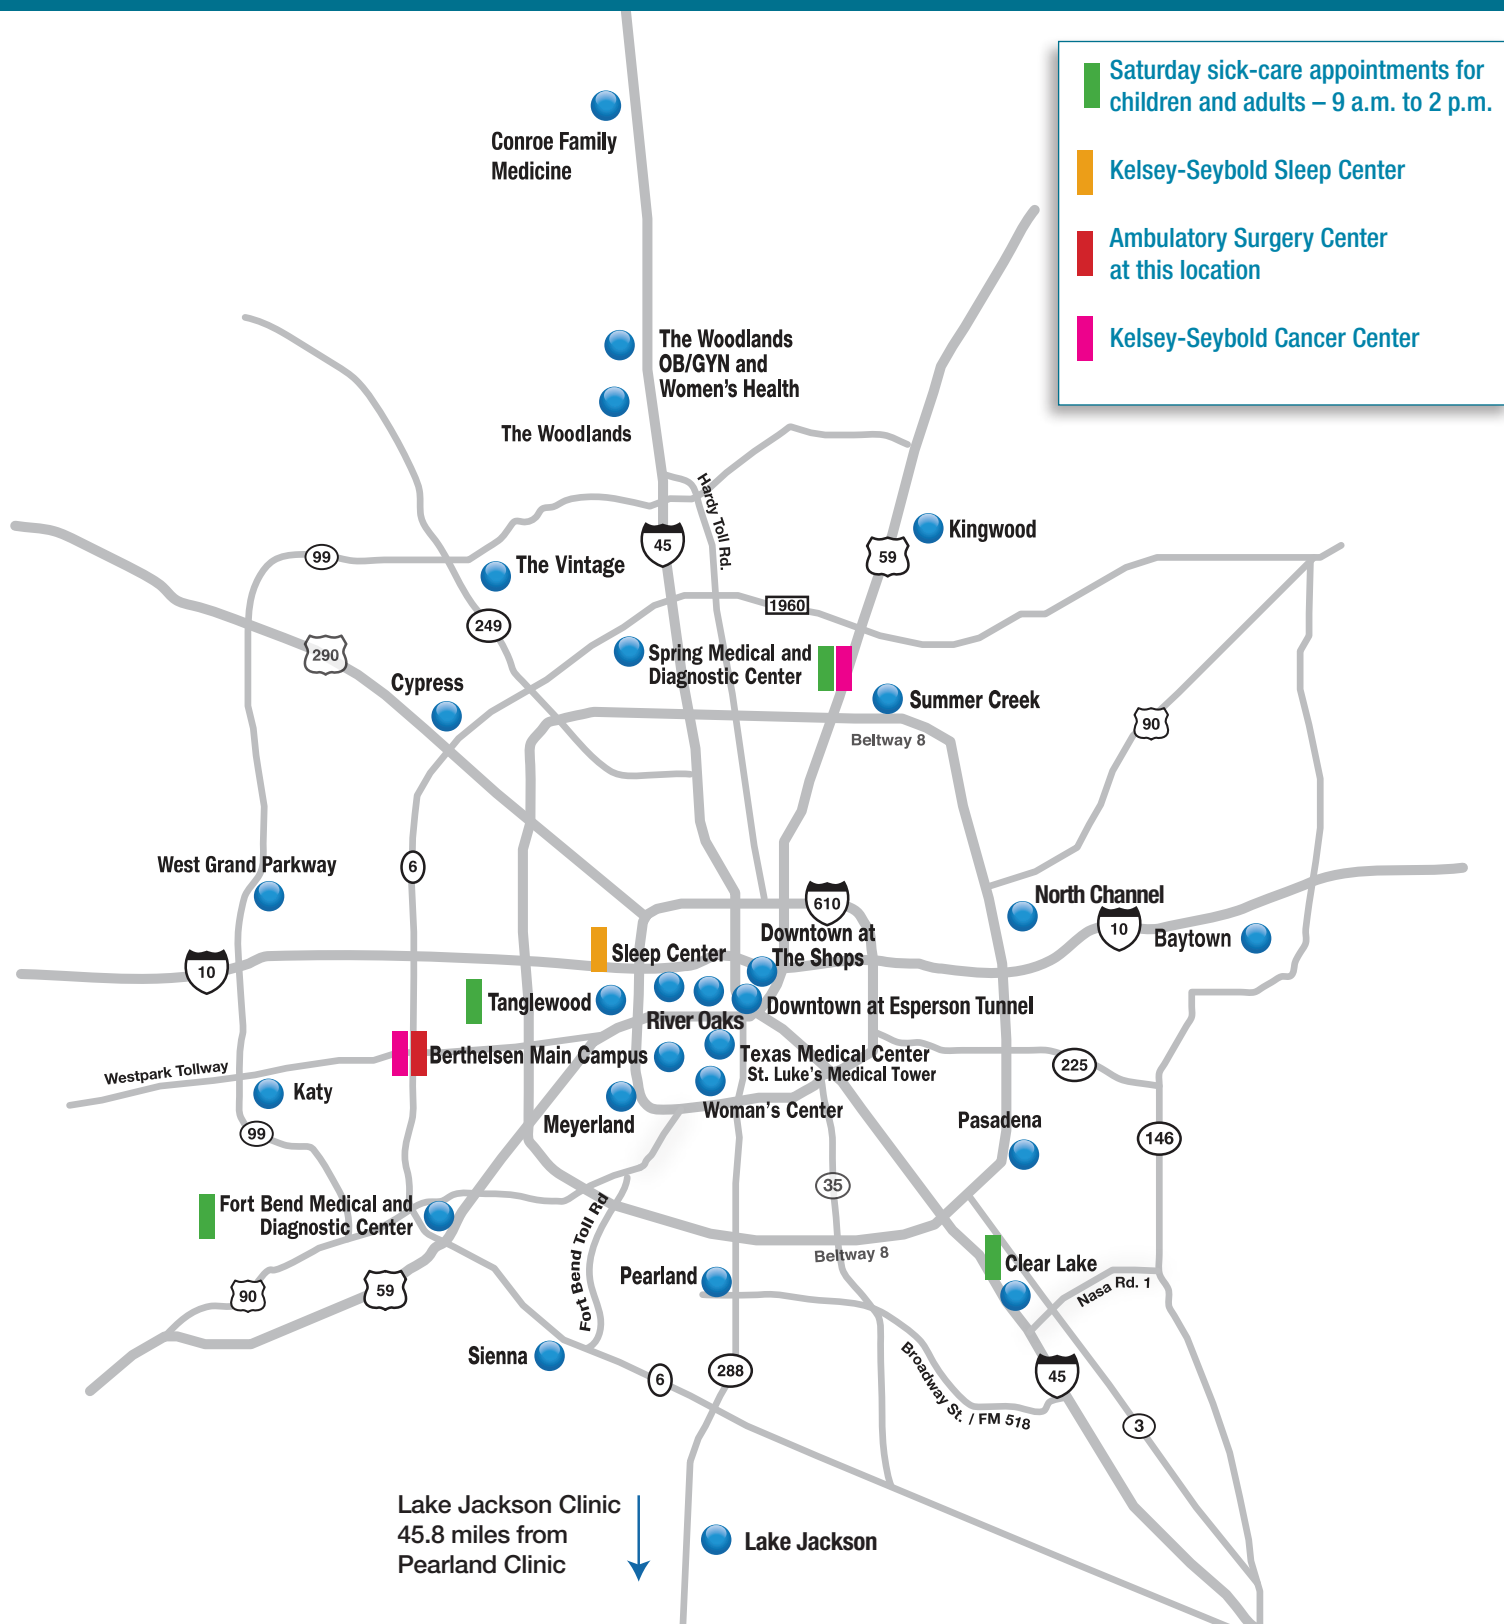

(1912 – 2013)

Imagine an entire team of experts working together to care for you and those you love. That's what Dr. Mavis Kelsey dreamed of more than 70 years ago when he returned to his home state of Texas from a position at the prestigious Mayo Clinic. This fifth-generation Texan was convinced that Houston families needed the Mayo Clinic model of "collaborative care" – where physicians practice together and share information to provide the best for their patients. And that's what he set out to create when he founded Kelsey-Seybold Clinic in 1949.

Today, Kelsey-Seybold Clinic is one of Houston's most trusted names in healthcare and the nation's *first* accredited Accountable Care Organization. We put the person who needs our care at the center of all that we do, and we're dedicated to making sure our patients have the most positive healthcare experience possible. When our patients need us, we're just a click or phone call away with services designed to make hectic lives a little easier, including:

Convenient Locations Close to Home and Work

Welcome to Kelsey-Seybold. Welcome to Convenience.

See *Any* Kelsey-Seybold Doctor at *Any* Location

With locations throughout Houston and surrounding areas, our patients can see *any* Kelsey-Seybold doctor at *any* of our locations with *no referral needed*. Your secure and confidential electronic medical record (EMR) follows you wherever you go.

24/7 Appointment Scheduling

Schedule appointments 24 hours a day, seven days a week by calling **713-442-0000** or toll free at **1-800-231-6421**. Or self-schedule an **in-person** appointment or **Video Visit** at **kelsey-seybold.com**.

Virtual Visits for Adults and Children

Virtual **Video Visits** and **E-visits** are available for new or current Kelsey-Seybold patients. Get convenient care delivered by Kelsey-Seybold providers for many medical symptoms and conditions. After-hours and weekend virtual care is available. Schedule online from any mobile device or by calling our **24/7** Contact Center at **713-442-0000**. For more information, visit **kelsey-seybold.com/virtual**.

MyKelseyOnline Patient Portal

You can securely and privately email questions to your doctor's office, view most test results, and directly schedule in-person or virtual appointments with our primary care doctors and a growing list of specialists at **kelsey-seybold.com/app**.

After-Hours Nurse Hotline

Enjoy the added reassurance of Kelsey-Seybold's After-Hours Nurse Hotline, available after regular business hours and on weekends and holidays by calling **713-442-0000**. Our after-hours nurses can answer your questions, page an on-call physician, and schedule appointments.

On-site Pharmacy, Laboratory, and X-ray

An on-site laboratory and X-ray, plus other diagnostic services, are available under one roof for your convenience at most locations.

Adult and Pediatric Saturday Sick-Care Appointments

Call our **24/7** Contact Center at **713-442-0000** for a Saturday sick-care appointment available at four convenient locations: Clear Lake Clinic, Fort Bend Medical and Diagnostic Center, Tanglewood Clinic, and Spring Medical and Diagnostic Center.

The Kelsey-Seybold Ambulatory Surgery Center

The Ambulatory Surgery Center (ASC) at Kelsey-Seybold's Berthelsen Main Campus is the largest outpatient surgery center in Texas, providing a wide array of surgical services delivered by Kelsey-Seybold's experienced surgical physicians and nurses. We provide the level of care you'd expect during a stay in an in-patient hospital with the added benefit of returning home on the same day.

The ASC is accredited by the Accreditation Association for Ambulatory Health Care (AAAHC) and licensed by the Texas Department of Health. The ASC is also recognized by the American Society of Gastrointestinal Endoscopy for Superior Quality and Safety and nationally benchmarked by Press Ganey for patient satisfaction.

Kelsey-Seybold Clinic offers two locations for the ASC:

- Our **Berthelsen Main Campus** near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our **Spring Medical and Diagnostic Center** at 15655 Cypress Woods Medical Drive between Kuykendahl and Steubner Airline on FM 1960.

Both locations offer free parking.

Accredited by
Accreditation Association
for Ambulatory Health Care, Inc.

The Kelsey-Seybold Breast Diagnostic Center

Fast-Tracking the Breast Diagnostic Process

At the Kelsey-Seybold Breast Diagnostic Center, you can count on:

- A fast-track diagnostic program that provides answers and a plan of action in days, not weeks.
- Comprehensive breast health services that regularly exceed national best practice standards.
- Confidence in knowing you are in skilled hands at a healthcare facility that uses digital technology.
- Peace of mind that you are getting quality care at a center the American College of Radiology has designated a Breast Imaging Center of Excellence.

Kelsey-Seybold Clinic offers two locations for its nationally recognized Breast Diagnostic Center:

- Our **Berthelsen Main Campus** near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our **Spring Medical and Diagnostic Center** at 15655 Cypress Woods Medical Drive between Kuykendahl and Steubner Airline on FM 1960.

Both locations offer free parking.

The Kelsey-Seybold Cancer Center

Three Technological Advances Allow Us to Deliver State-of-the-Art Cancer Treatment

1. Advanced Technology Before Radiation Treatment Begins

The Kelsey-Seybold Cancer Center is the only location in Houston to offer the GE Discovery IQ PET/CT simulator, which enables radiation oncologists to use information on the tumor's location to more precisely pinpoint where radiation is needed. It also supports more complex radiation treatment planning when needed.

2. AlignRT Technology during Radiation Therapy

Kelsey-Seybold is one of only a few healthcare organizations in Houston to offer advanced AlignRT® technology. It's a real-time motion management tool that ensures each patient is set up in the correct position before radiation therapy and tracks any movement during treatments. It adds to patient safety by making sure our patients are positioned correctly day-in, day-out.

3. Varian TrueBeam and Varian Edge Precisely Target Cancer Cells

The Varian TrueBeam® and Varian Edge® safely deliver radiation therapy at a faster rate than more conventional linear accelerators and minimize the daily impact on the patient's personal schedule. The radiation beams precisely target cancerous cells while nearby healthy cells are minimally exposed. It's ideal for treating tumors of the brain, spine, lung, abdomen, breast, prostate, head, and neck. This advanced system allows us to safely treat patients with even the most complex cancers.

 **Kelsey-Seybold Cancer Center**
healing happens hereSM

“The Kelsey-Seybold Cancer Center is nationally accredited and follows the most current, cancer treatment guidelines as established by the National Comprehensive Cancer Network (NCCN). This means our patients receive the same nationally established treatment protocols for common cancers as they would at any leading cancer center in the country.”

– Dr. Tejash “TJ” Patel,
Chief of Hematology and Oncology

Nationally Accredited Treatment. Highly Personalized Care.

The Kelsey-Seybold Cancer Center is certified by the prestigious Quality Oncology Practice Initiative’s (QOPT®) Certification Program. Our cancer program follows the most current cancer treatment protocols as set by the National Comprehensive Cancer Network (NCCN). These nationally established guidelines include:

- Comprehensive services
- A multispecialty team approach
- State-of-the-art diagnostics and imaging
- Psychosocial/educational guidance
- Fully accredited Breast Diagnostic Center
- The Texas Cancer Registry with lifelong follow up

The biggest difference our Cancer Center makes for patients is our highly personalized approach to care, which helps improve the patient experience throughout every aspect of treatment.

 **Kelsey-Seybold Cancer Center**

healing happens hereSM

At the Kelsey-Seybold Cancer Center, patients get connected to their board-certified cancer team within days. This includes:

- Hematologists
- Medical oncologists
- Radiologists
- Pathologists
- Oncology surgeons
- Formulating pharmacists
- Nurse practitioners
- Nurse navigator and social worker
- Support services

Nurse Navigator and Social Worker

As part of the cancer treatment team at the Kelsey-Seybold Cancer Center, patients also have the full support of a nurse navigator and a social worker. They will answer patients' questions, provide support services, and offer guidance in any aspect of their cancer treatment. They are invaluable resources in each patient's fight against cancer.

Breast Reconstructive Surgery

Our board-certified plastic surgeon, Shayan Izaddoost, MD, PhD, FACS, and Yoav Kaufman, MD, FACS, are skilled in advanced procedures to help restore a breast to near normal shape and appearance after mastectomy. Breast reconstruction typically involves several procedures performed in multiple stages. These surgeons and their teams help patients make a thoughtful decision about which option is best for them.

St. Luke's Medical Tower Clinic

6624 Fannin, 19th Floor, Houston, Texas 77030

713-442-0000

Kelsey-Seybold Hospitalists:

The 19th Floor of the St. Luke's Medical Tower Clinic is for Kelsey-Seybold Hospitalists, who care for hospitalized Kelsey-Seybold patients (children and adults). You cannot schedule a routine appointment with a Kelsey-Seybold Hospitalist; however, they will work with your primary care physician (PCP) to coordinate your follow-up care.
