

Your Guide to Clinics and Providers

 **Kelsey-Seybold Clinic®**
Changing the way health cares.™

Kelsey-Seybold Clinic: Houston's Model for Coordinated Care Since 1949

Then

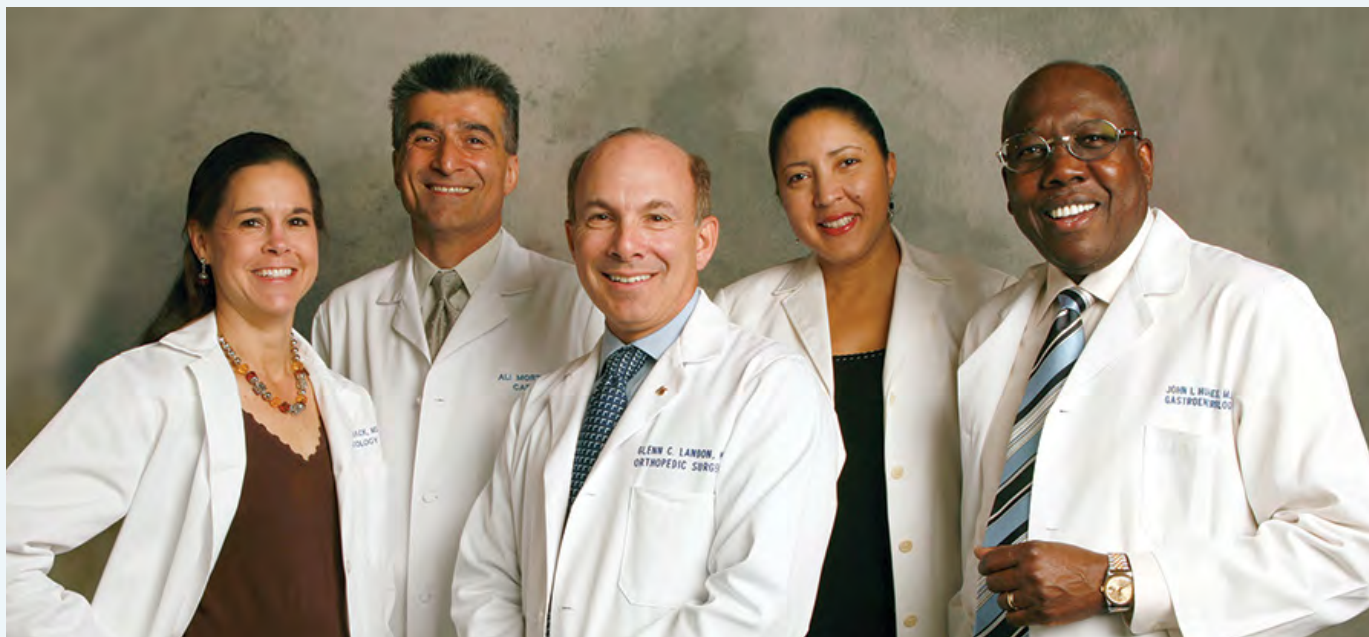

*Dr. Mavis Kelsey
Founder
(1912-2013)*

Imagine an entire team of experts working together to care for you and those you love. That's what Dr. Mavis Kelsey dreamed of 69 years ago when he returned to his home state of Texas from a position at the prestigious Mayo Clinic. This fifth-generation Texan was convinced that Houston families needed the Mayo Clinic model of "collaborative care" – where physicians practice together and share information to provide the best for their patients. And that's what he set out to create when he founded Kelsey-Seybold Clinic in 1949.

Today, Kelsey-Seybold Clinic is one of Houston's most trusted names in healthcare and the nation's first accredited Accountable Care Organization. We bring together physicians in more than 50 medical specialties to collaborate on patient care. We are affiliated with quality hospitals in the local community and in the renowned Texas Medical Center. We invest in technology like our electronic medical record shared by all our providers. We know that communication and trust are the basics that ground everything we do.

Now

*L-R: Dr. Marie Maurice, Chief of Dermatology; Dr. Ali Mortazavi, Chief of Cardiology;
Dr. Glenn Landon, Chief of Orthopedics; Dr. Tahirih Baker, Family Medicine and Co-Managing Physician, Tanglewood Clinic; and Dr. John I. Hughes, Gastroenterology and Associate Medical Director of Clinical Academic Affairs and Affiliations.*

Welcome to Kelsey-Seybold. Welcome to Convenience.

Kelsey-Seybold Clinic offers around-the-clock conveniences and services including:

24-Hour Appointment Scheduling at 713-442-0000

Enjoy the convenience of 24/7 appointment scheduling at 713-442-0000 or toll free at 1-800-231-6421. You can self-schedule appointments for Family Medicine, Internal Medicine, or Pediatrics with AppointmentsNOW. Go to kelsey-seybold.com/NOW.

Online Appointment Scheduling with MyKelseyOnline

With MyKelseyOnline, you can securely and privately email questions to your doctor's office, view most test results, and directly schedule appointments with Kelsey-Seybold primary care doctors and a growing list of specialists. Download the free app at kelsey-seybold.com/app to schedule appointments online from any mobile device (Android or Apple).

The Reassurance of Our After-Hours Nurse

When you call 713-442-0000 after regular business hours and on holidays, you can speak with a Kelsey-Seybold registered nurse. Our After-Hours Nurse can answer your questions, page the physicians on call if necessary, and schedule appointments.

On-site Laboratory and X-ray

An on-site laboratory and X-ray plus multiple medical specialties and diagnostic services are available all under one roof.

On-site Kelsey Pharmacy

You can have your prescription filled right where you see your doctor – at 15 convenient locations.

Saturday Sick-Care Appointments

When someone in your family is ill, call our 24-hour Contact Center at 713-442-0000 on a Friday evening or Saturday morning for a Saturday sick-care appointment at four convenient locations.

Secure Electronic Medical Record (EMR)

You can see *any* Kelsey-Seybold doctor at *any* location. Your secure and confidential electronic medical record (EMR) follows you wherever you go.

Nationally Recognized for Excellence

The prestigious National Committee for Quality Assurance (NCQA) named Kelsey-Seybold Clinic the nation's *first* accredited Accountable Care Organization (ACO) in 2012. We're still Houston's *only* NCQA-accredited ACO. As a Kelsey-Seybold patient, this means you're connected to a caring and compassionate team of doctors who work together to deliver the high-quality, efficient, patient-centered care you deserve.

The Kelsey-Seybold Ambulatory Surgery Center

The Ambulatory Surgery Center (ASC) at Kelsey-Seybold is the largest outpatient surgery center in Texas, providing a wide array of surgical services delivered by Kelsey-Seybold's experienced surgical physicians and nurses. We provide the level of care you'd expect during a stay in an in-patient hospital with the added benefit of returning home on the same day.

The ASC is accredited by the Accreditation Association for Ambulatory Health Care (AAAHC) and licensed by the Texas Department of Health. The ASC is also recognized by the American Society of Gastrointestinal Endoscopy for Superior Quality and Safety and nationally benchmarked by Press Ganey for patient satisfaction.

Kelsey-Seybold Clinic offers two locations for the ASC:

- Our **Berthelsen Main Campus** near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our **Spring Medical and Diagnostic Center** at 15655 Cypress Woods Medical Drive between Kuykendahl and Steubner Airline on FM 1960.

Both locations offer free parking.

Accredited by
Accreditation Association
for Ambulatory Health Care, Inc.

The Kelsey-Seybold Breast Diagnostic Center

Fast Tracking the Breast Diagnostic Process

At the Kelsey-Seybold Breast Diagnostic Center, you can count on:

- A fast-track diagnostic program that provides answers and a plan of action in days, not weeks.
- Comprehensive breast health services that regularly exceed national best practice standards.
- Confidence in knowing you are in skilled hands at a healthcare facility that uses digital technology.
- Peace of mind that you are getting quality care at a center the American College of Radiology has designated a Breast Imaging Center of Excellence.

Kelsey-Seybold Clinic offers two locations for its nationally recognized Breast Diagnostic Center:

- Our **Berthelsen Main Campus** near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our **Spring Medical and Diagnostic Center** at 15655 Cypress Woods Medical Drive between Kuykendahl and Steubner Airline on FM 1960.

Both locations offer free parking.

The Kelsey-Seybold Cancer Center

Three Technological Advances Allow Us to Deliver State-of-the-Art Cancer Treatment

1. Advanced Technology Before Radiation Treatment Begins

The Kelsey-Seybold Cancer Center is the only location in Houston to offer the GE Discovery IQ PET/CT simulator, which enables radiation oncologists to use information on the tumor's location to more precisely pinpoint where radiation is needed. It also supports more complex radiation treatment planning when needed.

2. Vision RT during Radiation Therapy

Kelsey-Seybold is one of only a few healthcare organizations in Houston to offer advanced Vision RT technology. It's a real-time motion management tool that ensures each patient is set up in the correct position before radiation therapy and tracks any movement during treatments. It adds to patient safety by making sure our patients are positioned correctly day-in, day-out.

3. Varian TrueBeam™ and Varian Edge™ Precisely Target Cancer Cells

The Varian TrueBeam and Varian Edge safely deliver radiation therapy at a faster rate than more conventional linear accelerators and minimize the daily impact on the patient's personal schedule. The radiation beams precisely target cancerous cells while nearby healthy cells are minimally exposed. It's ideal for treating tumors of the brain, spine, lung, abdomen, breast, prostate, head, and neck. This advanced system allows us to safely treat patients with even the most complex cancers.

 **Kelsey-Seybold Cancer Center**
healing happens hereSM

“The Kelsey-Seybold Cancer Center is nationally accredited and follows the most current, cancer treatment guidelines as established by the National Comprehensive Cancer Network (NCCN). This means our patients receive the same nationally established treatment protocols for common cancers as they would at any leading cancer center in the country.”

– Dr. Tejash “TJ” Patel,
Chief of Hematology and Oncology

Nationally Accredited Treatment. Highly Personalized Care.

The Kelsey-Seybold Cancer Center is certified by the prestigious Quality Oncology Practice Initiative’s Certification Program (QCP™). Our cancer program follows the most current cancer treatment protocols as set by the National Comprehensive Cancer Network (NCCN). These nationally established guidelines include:

- Comprehensive services.
- A multispecialty team approach.
- State-of-the-art diagnostics and imaging.
- Psychosocial/educational guidance.
- Fully accredited Breast Diagnostic Center.
- Cancer Registry with lifelong follow up.

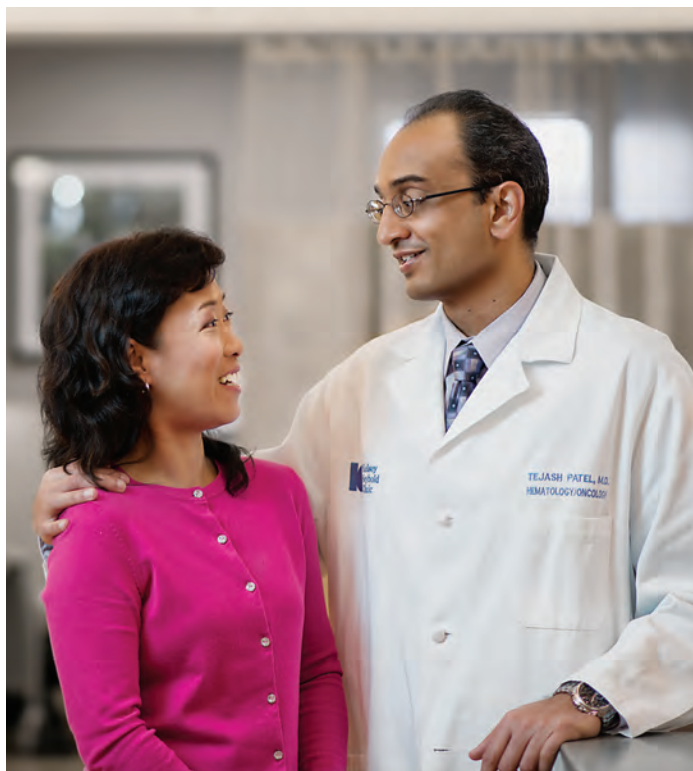

The biggest difference our Cancer Center makes for patients is our highly personalized approach to care, which helps improve the patient experience throughout every aspect of treatment.

 **Kelsey-Seybold Cancer Center**

healing happens hereSM

Board-Certified Cancer Team

At the Kelsey-Seybold Cancer Center, patients get connected to their board-certified cancer team within days.

This includes:

- Hematologists
- Medical oncologists
- Radiologists
- Pathologists
- Oncology surgeons
- Formulating pharmacists
- Nurse practitioners

Nurse Navigator and Social Worker

As part of the cancer treatment team at the Kelsey-Seybold Cancer Center, patients also have the full support of a nurse navigator and a social worker. They will answer patients' questions, provide support services, and offer guidance in any aspect of their cancer treatment. They are invaluable resources in each patient's fight against cancer.

Breast Reconstructive Surgery

Our board-certified plastic surgeon, Jamal M. Bullocks, M.D., F.A.C.S., is skilled in advanced procedures to help restore a breast to near normal shape and appearance after mastectomy. Breast reconstruction typically involves several procedures performed in multiple stages. Dr. Bullocks and his team help patients make a thoughtful decision about which option is best for them.

Breast Cancer Support Group

Our breast cancer patients are supported by one of the largest breast cancer support groups in Houston. Together, they share concerns and grow in knowledge, understanding, and compassion.
